New in Aurora Fiberglass - Douglas Fir Woodgrain

Douglas Fir with it's uniform color and grain patterns is one of the most popular wood species for exterior wood doors. We are proud to offer you Douglas Fir with our luxurious Aurora® Fiberglass doors! Aurora doors offer you the best of all worlds; a beautiful authentic woodgrained door that is virtually indistinguishable from solid wood but with the durability and low maintenance that only an engineered door can provide.

Natural Finish

JELD-WEN® Aurora® Fiberglass Doors will consistently stand up to any climate—hot or cold, wet or dry—yet they look virtually indistinguishable from solid wood doors. We've created these reliable and remarkable doors with carefully detailed Douglas Fir woodgrain and a vast range of options, like clavos and door straps.
