Integral Brickmould with J-Channel

Our standard integral brickmould and nailing fin creates a J-channel, allowing the siding to slip between the brickmould and nailing fin. This feature makes installation a breeze and produces a clean, streamlined appearance. It's perfect for new installation.

WEN-Lock® (Single-Hung and Sliding)

Featured on all Brickmould Vinyl single-hung and sliding windows, the WEN-Lock is our exclusive automatic lock system. It features a slim profile that's easy to engage, as well as a tamper resistant design, providing safety and security for your home.

The visible latch indicator (VLI) shown at left indicates whether the window is locked (left) or unlocked (right). The VLI can only be seen from indoors.

ADA Compliant option also available

Window Opening Control Device (WOCD)

Factory-installed Window Opening Control Devices (WOCD) from JELD-WEN are designed to meet the ASTM F2090-10 standard intended to help prevent accidental falls from windows by children five years of age and younger. Available on Casement, Awning, Single-Hung, Double-Hung and Sliding Windows. See your JELD-WEN dealer for more information.

EverTone™ Exterior Color Finishes

Our Brickmould Vinyl windows and patio doors are available in eight EverTone™ colors: Chestnut Bronze, Mesa Red, Hartford Green, French Vanilla, Dark Chocolate, Black, Arctic Silver and Desert Sand. EverTone is used on the exterior only; the interior is White, Almond or Desert Sand.

Glass Options

Low-E and LoE³-366 Insulating Glass

High-performance Low-E insulating glass comes standard and helps lower energy costs, allows homes to stay cooler in the summer and warmer in the winter, prevents fading of interior furnishings, and reduces condensation. It also delivers greater visible light transmittance than tinted glass. We also offer optional LoE³-366, which provides even more protection against heat loss and fading, as well as greater energy savings.

Most windows and patio doors with Low-E glass are ENERGY STAR® qualified. ENERGY STAR products help Americans save energy, save money and reduce their carbon footprints. ENERGY STAR criteria for windows are based on the U-factor and Solar Heat Gain Coefficient (SHGC) combinations that provide significant energy efficiency for a given climate zone. It's easy! Just tell your JELD-WEN dealer you want JELD-WEN windows that are ENERGY STAR qualified for your climate zone.

For more information, visit www.jeld-wen.com/energyefficiency.

Tempered Glass

When glass is heat-treated during manufacturing, it is provided with extra strength, enabling it to withstand abnormal force or pressure on its surface—it will not break into sharp pieces. Local codes often require tempered glass to be used in all windows that are close to the floor or near doors, bathtubs or showers.

Secondary Stops

Latch limits sash opening to 4 inches providing fractional ventilation on single-hung and double-hung windows. A nylon lever and housing allow quick and easy release when the vent stop flips open. The lever flips back with an easy push of the finger when not needed.

Secondary stops are not a locking feature.

In cold weather, Low-E glass reduces the amount of heat lost by reflecting it back inside.

In warm weather, Low-E glass reflects the sun's energy and prevents it from entering the home.

- » 5-year coverage on retractable roll screens
- » Coverage is transferable for 10 years
- » Optional glass breakage coverage available

Important Legal Information

This Limited Warranty document sets forth our maximum liability for our products. We shall not be liable for special, indirect, consequential, or incidental damages. Your sole and exclusive remedy with respect to any and all losses or damages resulting from any cause whatsoever shall be as specified above. We make no other warranty or guarantee, either express or implied, including implied warranties of merchantability and fitness for a particular purpose to the original purchaser or to any subsequent user of the product, except as expressly contained herein. In the event state or provincial law precludes exclusion or limitation of implied warranties, the duration of any such warranties shall be no longer than, and the time and manner of presenting any claim thereon shall be the same as, that provided in the express warranty stated herein. This Limited Warranty document gives you specific legal rights, and you may have other rights that vary from state/province to state/province.

*NOTE: The above information is a summary of key provisions of the **JELD-WEN Vinyl Window & Patio Door Limited Warranty** effective July 1, 2010. For a complete copy of the current warranty, see your sales associate or refer to www.jeld-wen.com.*

Each one of our windows and patio doors is built to last.
