STILES

Vertical components that join to the rails with dowels to give the door strength, as well as frame the arrangements of panels and mullions

PANELS

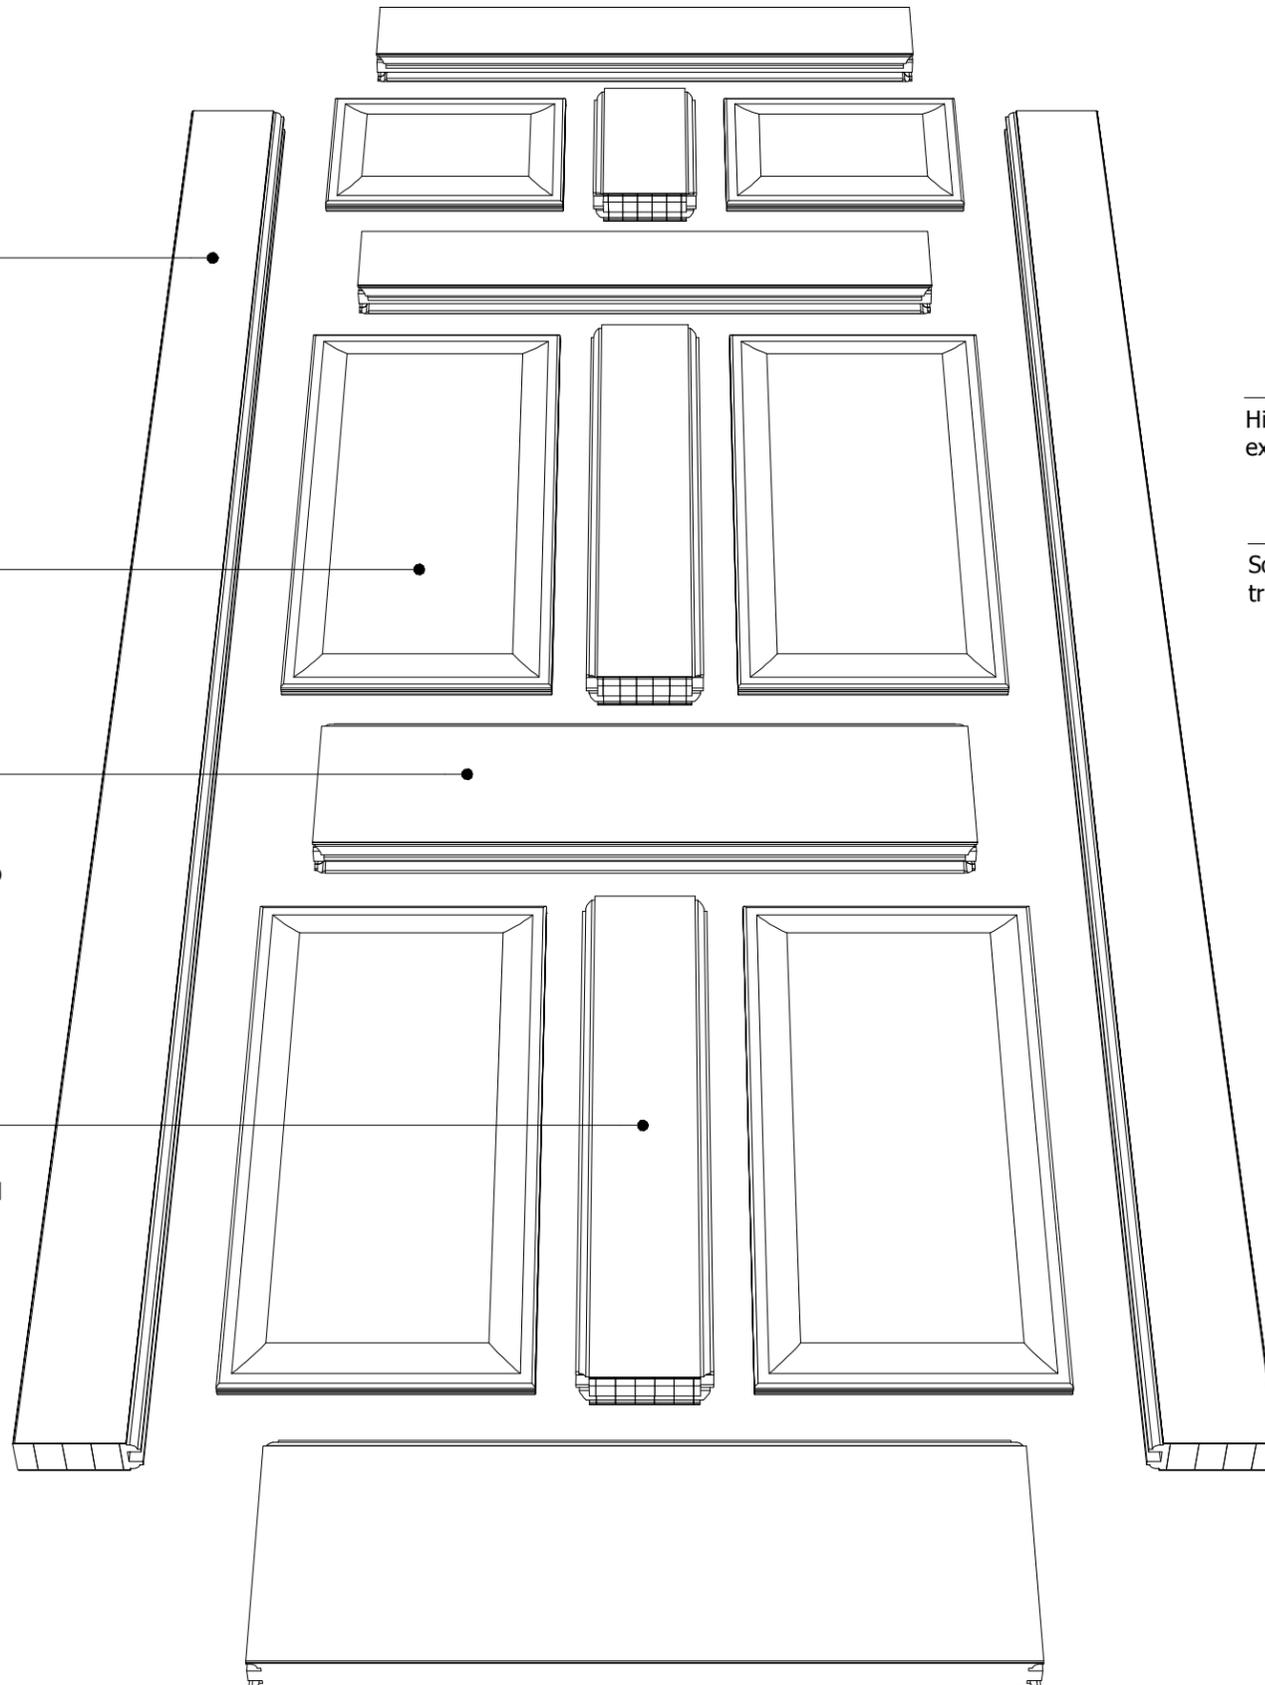

Raised or flat sections that are set into frames

RAILS

Horizontal components that join to the stiles with dowels to give the door strength, as well as frame the arrangement of panels and mullions

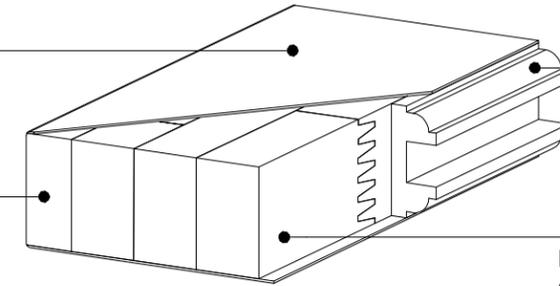

MULLIONS

The vertical components placed between the panels

High quality wood veneer for excellent staining properties

Solid wood edge band for easy trimming and stain matching

Solid wood sticking for beautiful stain matching

Engineered wood core ensures lasting performance
