The JELD-WEN website is your ultimate resource for learning about our reliable windows and doors. It has all the product information and design advice you need. Visit us at jeld-wen.com today.

***Option A** – an oversized display set that ships in 2 separate shipping containers with the operating panel removed prior to shipping. Due to sizing restrictions associated with LTL shipments, both shipping crates will be packed with their contents laid flat – it is recommended that no less than 4 people be involved in the standing and placement of this fixture set. Minimum ceiling height requirements = 128"

Assembly required – instructions and necessary hardware included. Overall base footprint = 97"(w) x 35"(d) x 124"(h)

****Option B** – operating panels have been removed prior to shipment – installation required. Instructions and hardware included.

Overall base footprint = 97"(w) x 35"(d) x 95"(h)

Select the display units that best suit your needs. Complete the Customer Information and Shipping Information areas and e-mail this order form to: visualmerchandising@jeld-wen.com.

All prices are inclusive of packaging & freight costs.

RECEIVING REQUIREMENTS - Upon delivery, Dealer must immediately inspect the product received (for example, POS System and/or sample products). If there is observable damage to the outer shipping container, Dealer must document the damage on the Bill of Lading at the time of delivery. Dealer must inform JELD-WEN of any damage to or defect in the product within 24 hours of the Dealer's receipt of the products.

To inform JELD-WEN, e-mail the following to JELD-WEN Visual Merchandising at visualmerchandising@jeld-wen.com:

1. Include photos of the alleged damage to shipping container or product; and
2. A description of the alleged damage to and/or defect in the product must be written on the supplied packing list.

JELD-WEN shall have no obligation to respond to any claim that does not comply with the instructions above or that is made more than 24 hours after the Dealer's receipt of the products.
