

The performance information listed is for new products and is intended to be used for reference only, and is not complete. Depending on the components, accessories, and options chosen, the actual rating could vary. Confirm ratings for specific products with your supplier or JELD-WEN sales representative.

Highlighted options are ENERGY STAR certified in all zones.

Highlighted options are ENERGY STAR certified in Northern, North-Central zones.

All door configurations achieve an air leakage rate of $\leq 0.3 \text{ cfm/ft}^2$ in accordance with NFRC400.
